Jack & the Beanstalk

Magic Bean Bump!

You Need:

- *A Partner
- *10 counters/cubes of the same color (different color from your partner!)
- *2 Dice
- *Magic Bean Bump mat

To Play:

Roll 2 dice. Add.
Cover the sum with one of your counters.
Take turns.

If your partner rolls the same sum as you, they can bump your piece off!

If you roll the same sum again, stack a second cube counter on top. This locks your spot. You can't be bumped from that spot!

Can you get all of your counters on the board?

Magic Bean Bump!

Roll two dice
Color a bean with the matching number.
Use a different color and take turns to play with a partner.
