This worksheet features three main sections: a 'Would You Rather?' poll, a 'Make a list...' activity, and an 'ABC Order' exercise. The 'Would You Rather?' section includes a blank line for the student's name and a question with two options: 'have ice cream' or 'a popsicle on a hot day?'. The 'Make a list...' section has a blank line for the student's name and a prompt 'of ice cream flavors!' followed by five blank lines for listing. The 'ABC Order' section includes a blank line for the student's name and a title 'ABC Order' with the instruction 'Put the ice cream words in abc order!'. A list of eight ice cream-related words is provided: milk, sugar, vanilla, salt, bag, ice, cone, and dish. A cartoon illustration of a girl eating ice cream is positioned between the 'ABC Order' section and the bottom right corner.
