Teaching Notes

For best results, print these cards on cardstock and laminate them.

Here are some suggested uses:

1. Trace the letters with your finger to practice letter formation.
2. Trace the laminated letters with dry/ wet erase markers.
3. Trace laminated letters with washable paint (wet wipes to clear off right after use)
4. Dot the laminated letters with a cotton swab to practice fine motor skills and letter identification.
5. Match the capital to lowercase letters in a matching activity.
6. Build vocabulary with new spring themed words a-z.
7. Practice phoneme isolation with initial phoneme (except X).
8. Practice speech sounds associated with the vocabulary words.
