Bubble Writing

Activities

What is a shape poem?

A shape poem is a poem or a list of descriptive words that form the shape of the subject.

Look at this example!

You will brainstorm words about bubbles on the next slide.

Then you will print out a copy of the bubble template or trace any circle onto paper to make your own.

Then write your words around the outside of the circle. Color in or paint your bubble poem.

Take a photo and share it on the final slide.
