

Turkey Spinner Bump!

A short vowel & digraph word work game
with follow up practice pages!

Gobble, Gobble, Bump!

Getting Ready to Play!

Choose the spinner that matches your game card.
Get 10 of the same colored cubes (if you are playing with a partner, get a different color than your partner).

Level 1:

- *Take turns spinning the spinner.
- *Find a turkey with the matching word family and read the word.
- *Cover up a turkey word with your cube that matches the word family on the spinner.
- *Keep spinning until all the spots are covered.
- *The person with the most spots covered wins!

Level 2:

- *Take turns spinning the spinner.
- *Find a turkey with the matching word family and read the word.
- *Cover up a turkey word with your counter that matches the word family on the spinner.
- *If your partner has 1 cube down, you can bump them off the word and cover it yourself. If you have one cube down on a matching word, you can "lock" your cube into place by putting a second counter on it. Once your cube is locked, your partner cannot "bump" you off.
- *Keep spinning until someone has all of their counters on the board. That person wins!
