Teaching Notes

This printable booklet is great for children in grades K-I who are ready to color by number, beginning reading skills, and practice sight words.

Printing Notes: Print this resource double sided (my printer requires me to flip on the short side in order to print properly). Sometimes it is easier to print one sided and then do the double sided copying.

This is great for:

- *Classroom parties and celebrations
- *Morning work
- *Homework
- *Early finishers
