North pole horses mag

This image shows a 'KWL Chart' worksheet titled 'All About Magnets'. The chart is divided into three main sections: 'I know...', 'I want to know...', and 'I learned...'. In the 'I know...' section, there is a box containing two illustrations: one of a boy playing with a horseshoe magnet and another of two boys playing with a horseshoe magnet. Next to these illustrations are the words 'attract' and 'repel'. In the 'I learned...' section, there is a box containing an illustration of a horseshoe magnet with its north pole (N) labeled and a red arrow pointing down to it, and another box containing an illustration of a horseshoe magnet. To the right of these boxes are the words 'North', 'pole', 'horses', and 'mag'. The entire chart is set against a dark background with a wooden surface visible at the bottom.

## Vocab, Explore & Sort

# Explore Magnets

	horseshoe magnet		attract
	bar magnet		repel
	magnetic		North pole
	magnetic wand		South pole
