Frog Writing Activities

Research & Informational Writing

The image displays four overlapping printable templates for frog-related writing activities:

- All About Tadpoles:** A template with a header "Name: _____" and "All About Tadpoles". Below the header is a large rectangular box for writing. To the left of this box are three vertical labels: "can", "have", and "are", each next to a bracketed space for notes.
- Frog Vocabulary:** A template with a header "Name: _____" and "Frog Vocabulary". Below the header is a large rectangular box for writing. To the right of this box are three vertical labels: "Word:", "Sentence:", and "Word:", each next to a bracketed space for notes.
- My Frog Report:** A template with a header "By: _____" and "My Frog Report". Below the header is a large rectangular box for writing. To the left of this box are three vertical labels: "Picture", "Frogs can...", and "Frogs are...", each next to a bracketed space for notes.
- My Frog Research:** A template with a header "Name: _____" and "My Frog Research". Below the header is a large rectangular box for writing. To the right of this box is a small illustration of a frog.

Frog Writing Activities

Narrative Writing

The image displays a narrative writing template with two main sections: 'Make A Plan' and 'Write a Story!'.

Make A Plan
Write or sketch to plan what will happen in your story.

Write a Story!
Imagine you are visiting a pond when suddenly you hear a voice. It is a talking frog!

Write a Story!
Imagine you have a pet frog. One day you notice your frog is missing!
Write a story about what happens next.

The template includes a 'First' section for planning, a 'Next' section for planning, and a 'Then' section for writing. It also features a 'Finally' section for writing. The 'Write a Story!' section includes a drawing of a boy holding a frog.
