Design a "Greenprint"

Count the boxes and record the number!

Leprechaun "Greenprint" Design

Welcome Designer!

You have been tasked with designing a leprechaun home.

Your jobs are:

*Divide the "house" space into at least 4 different rooms.

*Label the rooms

*Count the number of boxes in each room.

*Write how many boxes on your recording sheet.

Design a "Greenprint"

Literacy Extension Options!

Extension Activities

*Trade "greenprint" plans with a partner. Have the partner count the number of boxes in each of your rooms(use another copy of the recording sheet.)

*Choose one of the rooms in your design. Draw (A Look Inside... drawing page included) and write what the inside of the room would look like (writing page included).

*Write a letter to a leprechaun trying to convince him to buy or come to your house. Tell the leprechaun about different parts of your house he might like.
